

Dear Lyn

Remember me? you suffered a week at Simons teaching me framing (with Alan from Scotland)

My interest in framing grew as a result of the course with you, and after months of prep + planning, Sarah + I have taken the plunge - the results of which can be seen in the catalogue.

We launched the business at the Autumn Fair a couple of weeks ago - results are encouraging.

We will be exhibiting at the Spring Fair in February - it would be great to see you!

Regards
Mick
